In response to the Official Action dated April 15, 2008, please amend the above-identified application as set forth below.

IN THE CLAIMS:

Please amend the Claims 1, 11 and 12 as set forth in Appendix A attached hereto.

REMARKS

The Examiner has rejected the under 35 U.S.C. §112, first paragraph, as failing to comply with the written description requirement. The Examiner contends that there is no definition of “*split key*” in the specification. Applicants have eliminated this language from the claim. They respectfully submit that the issue has been resolved.
